Every Company has one...

Good or Bad...Exciting or Boring...
What's yours?

Your customers, your prospects, your competitors, all have an idea about your company.

Is it the right one? What do they think when they see your Ads, Brochures, Web Site, Catalogs, Quote Sheets, Letterheads, Vehicle Signage or your Business Card? Are these projecting the image you want? How people react to your company's image is critical.

The Northwest Group can create, repair or tune up your image. We've been helping companies sell stuff for 43 years.

Call one of our owners Diane Putvin, CBC or Tom Graham, CBC at 734-522-6380 for an informative, no obligation discussion of how we can help your IMAGE.
